Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit the program was functioning well. The older children were playing Lego while the babies napped. The programming is very good and Holly understands and uses the NB Curriculum.

All the food is coming from home except Holly provides milk and/or juice every day. All Covid protocols are being followed.

The back yard is fenced and very well set up for the children's use. After the babies napped everyone went outside to play. The children are very helpful to Holly and with each other.
