General Comments

Regular monitoring inspection was performed on this date. Children were in the outdoor play area upon arrival of Quality Assurance Monitoring. Children were engaged with counting rocks. The educator provided support and suggested how to group the rocks by size or shape. Children had many materials available to them while playing outside, sand toys, buckets, Shovels, trucks, Playhouses, seesaws, small slides and a Basketball net and ball.

Conversation was had with operator about past projects the children had worked on, operator was able to provide pictures, and the children were proud to show what they had been working on.

Children pick up by guardians was observed, pleasant conversation took place between parents and operator who spoke about the children's day.

Positive behaviour guidance was observed at all times.
