## General Comments

-Late afternoon visit to the establishment for an unexpected monitoring inspection
-Ratio was respected during the visit
-Activities are planned weekly following children's interests.
-Staff files contain all required documents.
-Whitin the center the daily routine consists of a snack time when children are arriving from school, a free play period and/or a structured activity is proposed and outside play time at the end of the day. On PD days snacks are given twice a day and outside time happens every 4 hours.
-During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way
-Toxic products, and cleaning supplies are locked under key and are inaccessible to children
-Each child has a labeled locker accessible space to store their personal belongings.

Observations: When arriving at the center children were eating their snack, washrooms were used and they went to get their bags and coats to go play outside.
