Comments:			

<p>General Comments</p> <ul style="list-style-type: none"> - Visit done at the center for a monitoring inspection. - Ratio was respected during the visit. - All groups went playing outside. - In all rooms, educators observed to be engaged with children. Orientation of the children is done respectfully and positively. - Portfolios are present in each living space of the facility. There is a lack of documentation into the portfolios, purposefully and planned and documentation needs to more evident. Meeting will be scheduled with the educators to go through what need to be present into the portfolios.
