Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
On the day of my visit the children were playing outside. Amanda and I reviewed the Covid questions and protocols and she is following the new requirements. I was screened properly upon entry and the logs are up to date. The children were painting on the deck and engaging in a variety of activities. The children have built elaborate play areas on the hill side and are very independent and engaged in their own play. The children are gardening and their flowers and vegetables look great.
