<p><b>General Comments</b></p> <p>On the morning of the monitoring inspection another Early Learning and Childcare Home was visiting Amanda's House.</p> <p>The outdoor play space offered a variety of opportunities. An easel with pump containers of paint were accessible to the children to use when they wanted throughout the morning.</p> <p>A new playhouse has been added to the space. A change in service had previously been submitted with the building plans. Licensing staff inspected this space and it appeared to be well-built and sturdy.</p> <p>Children ate lunch outside at the picnic table. Lunch today was chicken, rice, carrots and cucumbers. Second servings were provided if children were still hungry.</p> <p>The operator displayed strong child guidance, especially during the busy transition to lunch. Patience, kind words, empathy and a low tone were used to help children navigate their feelings.</p>
