### General Comments

The children were engaged in a variety of activities such as playing uno card game, drawing and building with lego. The dramatic play area was a popular area as well.  
The educators were engaged with the children. They were observed moving from one play area to another, participating in the activity and talking to the children about their day.  
Staff and children files were reviewed. All contained the required documents.  
Please update the parent board with my correct phone number. 506-259-4172.
