<p>General Comments</p> <ul style="list-style-type: none"> -Visit to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -Posted in a visible and prominent place in the facility are the following documents: The license, inspection report, orders for compliance, daily routine, evacuation procedures, name of administrator, name and telephone number of QA Monitor and Inspector, life-threatening allergies and a notice to inform parents of the existence of a communicable disease. -Children's guidance is done in a respectful and positive way -Centre has the proper number of functioning and available toilets and sinks, one potty chair or training seat is provided, and a step or platforms are provided to allow children to reach regular sized toilets or sinks. -Indoor play area is maintained safe and clean -Material and equipment offered to the children are easy to access and is varied in quantity for all children. -Discussion with the operator on designation, the market fee threshold and subsidy. <p>Observations: When getting at the center children were into free play, some were playing with magnetic sand and cars others were into the dramatic play and looking into books. They washed their hands, ate their snack, and transitioned into gathering circle talking about letters, numbers, they sang, read a book, and discuss on emotions and got ready to go play outside.</p>
