<p>General Comments</p> <ul style="list-style-type: none"> -Visit to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -Outdoor play area is maintained safe and free of hazards. It was mentioned to the operator that snow and ice do not count has protective surfacing. -Children's guidance is done in a respectful and positive way -The parent is being asked to notify the operator/director the reason why the child is absent, whether it's sickness or another reason -When a child who becomes ill, he/she is supervised and separated from the other children. That child is to be picked up within one hour of notification to parents. -Management of potential illness forms are completed as required, discussion with the director on appendix 11 & 12 in the operator's manual. -Parents are advised when a child has a communicable disease or illness, center does use the notice of illness form (appendix 13, in the operator's manual) -We also talk about the importance to give all parents the appendix 14-Managing illness in ELC facilities- parent' s/guardian's role. - No children are in diapers; everybody is toilet trained. -Each child has an easily accessible space for personal belongings, which is labeled with the name of the child and used only for the intended child. -All nap equipment is washable and non-absorbent but there are no nappers in the center <p>Observations: When arriving at the center, the kids were just finishing lunch. Once they were done, they started to work on a craft and then transitioned to pretend play, cooking food, and taking care of their babies.</p>
