General Comments

- Mid-day visit to the establishment for an unexpected monitoring inspection
- Ratio was respected in all groups during the visit
- The operator has a valid first aid certificate
- The operator has her Early Childhood Education certificate
- No medicine is kept on site
- Daily routine into the center includes; Outdoor play time at least once every 4-hour blocks time when the weather is permitting, meal and snacks are served at the recognized hours
- During the visit, it was observed that the operator is engaged with the children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way
- Outdoor play area is maintained safe and free of hazards
- In the outdoor play area children have more than one type of surfacing to play and explore, the material offered is varied and in sufficient quantity for children present
- A first-aid kit and a phone are always accessible on site and on outings.
- Each child has an easily accessible space to store their personal belongings, which is labeled with their name and used only for the intended child.

Observations: When arriving at the center children were finishing their lunch, we then all went outside, played on the swings, slide, played in a trail in the nearby woods and observed a squirrel that paid them a visit.
