Order for Compliance	Regulation	Date to be corrected	Date corrected
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (a) the daily routine.	25(a)	Nov 05, 2025	Oct 29, 2025
Comments: During the renewal inspection, the inspector observed that the posted daily routine reflected only a school day schedule. The inspector informed the administrator that routines must be posted for both school days and full days when children are present for the entire day. The administrator then posted the missing full-day routine. Deficiency is now compliant.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Oct 29, 2025	Oct 29, 2025
Comments: During the renewal inspection, the inspector observed two containers of Lysol wipes stored in the cubby with the toys, making them accessible to children. The inspector informed the administrator that all toxic products, chemical substances, and cleaning supplies must be securely stored and inaccessible to children. The administrator moved the Lysol wipes to a locked storage area. Deficiency is now compliant.			

General Comments
The inspector is on site for the renewal inspection.
The inspector observed the children arriving from school and all the children washed their hands before going into the Dome.
The inspector also observed indoor free play, free craft activities, and participation in a sports game. Positive child guidance is observed.
The ratios are respected throughout the inspection.
