Comments: Deficiency is now compliant			

General Comments

Groups of children were observed playing outdoors. One group was doing a scavenger hunt and educators were bringing out totes with chalk and bubbles.

Both rooms were organized and had invitations set up on the tables for the children- puff paint, Jenga, organized books, word searches, mini sticks, Lego, Uno.

New staff files were checked and verified.

All checks for Board Members have been received, except one. Please send when received.
