Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

The children spent over an hour outside this morning with other programs. The children enjoyed playing on the play structure, ball games on the paved surface, hanging out on the gazebo, digging in the sandbox, and enjoying the new Ga-Ga ball ring. Educators regularly checked children's names to their attendance forms while supervising and engaging in play throughout the space.

Once returning inside, the children were asked to sit at the tables and they had a discussion about what they knew about Honolulu and Mexico. A guest speaker then presented their experience working in Hawaii at a YMCA camp. They presented a PowerPoint including videos of surfing and animals and then taught the children a new game, Splat and a campfire song. The children asked questions throughout the presentation linking it to their own experiences or favorite shows and characters.

After the guest speaker left, children washed their hands and began lunch. This week's camp had a theme of Around the World and evidence of exploration was evident on the walls and shelves.

Please remember to conduct monthly fire drills.
