General Comments

- Visit completed at the facility in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- The daily activities are purposely planned and documented and responds to the needs and interest of each child. In all rooms, evidence of purposeful planning based on children's interest and learning, invitation, photos and learning stories were posted.
- Outdoor play occurs daily for one hour in each four-hour block of time. Rest periods do not exceed two consecutive hours.
- The outdoor play area materials and equipment are varied and in sufficient quantity for all the children present. Outdoor space is offering a lot of opportunities for the children to explore, there is a mud kitchen, library and large wooden blocks. Stationary equipment is surrounded by protective surfacing.
- The parent notifies the facility if the child will be absent and indicates whether the absence is due to illness or otherwise.
- The facility has a designated rest area. The minimum space between rest equipment is at least 46 centimetres. All nap equipment is washable and non-absorbent.
- Food brought from home is labelled with the child's name. Drinking water is provided throughout the day.
- Observations:
Upon my arrival the children were napping.
It is sports day at the facility. Each room organized different activities for the day.
Infant room: Snack and free play.
2-year-old room: Parent arrival and snack.
3-year-old room: Outdoor play
4-5-year-old room: The children had snack, then went to the gym to play a game of ringette.
- Discussion with the administrator on the exterior playground.
