General Comments

Quality Assurance Monitor inspected the following: Indoor play area, materials and equipment, storage space, and visible postings.
QAM observed children preparing for outdoor play, reading stories, completing bathroom breaks, and prepping rooms for lunches and naps.
QAM notes that there is current documentation posted visibly and low on the walls so that children may interact with the photos.
Positive child guidance observed as educators encouraged children to dress themselves for outside play.
Center is in ratio and all items observed are in compliance.
