Order for Compliance	Regulation	Date to be corrected	Date corrected
36(4) The rest area of a full-time early learning and childcare centre and an early learning and childcare home shall allow for a space of at least 46 cm between each crib, portable playpen, cot or nap mat.	36(4)	Sep 24, 2025	Sep 24, 2025
Comments: During the rest period, the inspector observed two mattresses placed too close together in one classroom, with less than the required 46 cm of space between them. The inspector informed the educator, who adjusted the placement. There is now 46 cm of space between each mattress. Deficiency is now compliant.			

General Comments
<p>During the inspection, the inspector observes morning snack, lunch, indoor free play, and the rest period. All children participated in a morning walk outdoors.</p> <p>An educator is observed singing with the children during diaper changes, promoting engagement and comfort. In one classroom, a sing-along activity is taking place, while in another, children are engaged in block stacking.</p> <p>A discussion is held with the administrator to clarify that eligible educators must complete the required 10 hours of professional development before the permit expiration date of November 30, 2025.</p> <p>Another discussion is held with the administrator and one educator to address the importance of ensuring that all children's belongings must be labelled with the child's name.</p> <p>The ratio is respected throughout the inspection.</p>
