General Comments

Visit done at the center for a monitoring inspection.

Ratio was respected

During the visit, the Quality Assurance monitor verified:

- if all required documents were posted in a visible and prominent place in the facility.
- storage space for toxic products, chemical products and cleaning supplies.
- Outdoor play area
- Outdoor play area material and equipment

While Quality Assurance was on site, she was able to observe children playing indoors, QA Monitor was able to observe a nature experience with butterflies. Also, positive child guidance was observed such as educators providing appropriate supervision.

No non-compliances during this visit.
