33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Oct 03, 2025	
Comments: During my visit, some outdoor play materials had been added, but not enough to meet the needs of the number of children present. I had a discussion with the administrator, who explained that additional materials are stored in the basement. I asked if she could make them accessible to the children. A photo can be sent once this has been done for follow-up purposes.			

General Comments
Follow-up Inspection – November 5, 2025 (PM) Observation: During the visit, the staff-to-child ratio for the after-school group was in compliance. I observed the children's arrival, snack time, and outdoor play activities. For follow-up purposes, a photo of the added materials can be sent by email.
