<p><b>General Comments</b></p> <p>A renewal inspection occurred today. The children were observed during inside play, snack and outside play. Handwashing was also observed during the inspection. An addition of a new art cabinet to the art room enhances the area with ample storage space for a wide variety of art materials. Discussed with Educators ensuring that they are on the Government Attendance records and signed in and out each break/day. In the outside play area, the children were observed playing hockey, drawing, building and raking leaves in the woods and hanging with their peer. Children's learning is documented and displayed in their learning environments.</p>
