General Comments

Classrooms are well-provisioned with a variety of toys and other play materials including loose parts and natural materials, blocks, and art supplies. Children's art and documentation of children's learning are on display throughout the center.

During the inspection the QA Monitor observed that the whole center is participating in a holiday-themed "Grinch Day". Children and staff were encouraged to wear Grinch-themed clothes, and special activities and games are planned to coincide with this special day.
