**General Comments**

Children were finishing quiet time upon arrival of licensing staff. Home has recently been rearranged to create a sleeping area. Sleeping area only contained sleeping cots and sheets and was well organized.

Office supplies have been moved into a locked cabinet and is out of reach of children and inaccessible.

Home was well maintained, clean and play materials were organized in bins with pictures of the items. Children were observed playing with Play Doug, dolls and building puzzles.

All children present were signed into the attendance record.

Children transitioned from quiet time to snack by listening to a cleanup song as an audible cue. Children all washed their hands before having their snacks that they brought from home.

Positive behaviour guidance was observed at all times.
