Recent renovation on the main floor has opened up the indoor playspace and the new room measures for a total of 8 spaces. At this time, Licensing is waiting for confirmation of approval from Fire and confirmation that the proposed change meets municipal bylaws. The Operator must send confirmation to the QAM as well as an updated Application for Changes form.</p> <p>QAM and Inspector verified ratios and child/staff interactions during the inspection. Ratios were good and interactions between staff and children were positive.</p>
