| General Comments |
| <p>The following elements were verified during the monitoring inspection:</p> <ul style="list-style-type: none"> -The child-to-educator ratio. -The outdoor play area (after-school park) is covered with more than one type of material to allow for different types of activities. -The fixed equipment is surrounded by a protective surface. -The outdoor play area is maintained in a way that ensures safety. -The materials are varied and available in sufficient quantity for all children present. -Criminal record checks / vulnerable sector checks, valid first aid certificates, valid CPR certificates, and job descriptions outlining duties and responsibilities were verified for all staff members. -Positive guidance toward children. The quality-assurance mentor observed a positive intervention from an educator who told a child to walk down the stairs to avoid falling. <p>During the monitoring inspection, the quality assurance monitor observed, in the afternoon, indoor free play: some children were drawing, others were playing with a ball, some were playing with racetracks, ping-pong, and multicolor 5mm fuse beads.</p> |
