Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

<p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on site mid-day for a monitoring inspection.</p> <p>The following elements were verified:</p> <ul style="list-style-type: none"> <li>- Posted in a prominent area</li> <li>- Safety</li> <li>- Premises</li> <li>- Nutrition</li> <li>- Rest Area</li> </ul> <p>During the monitoring inspection, the Quality Assurance Monitor observed handwashing and free play. During lunchtime, the operator engaged the children in meaningful conversations about deer and the foods they were eating. The storytelling session, "Sleeping Dragons All Around," and the beginning of nap time were also observed.</p> <p>The Quality Assurance Monitor had a discussion with the operator regarding designation requirements. The operator confirmed that the Quality Improvement Plan is being completed and that she has completed the required 10 hours of professional learning per renewal year; however, the certificates are missing. The Quality Assurance Monitor recommended that she reach out to her Early Learning Consultant.</p> <p>The ratio is respected during the monitoring inspection.</p>
