General Comments

On the day of my visit the school was closed and the children join the group at Henry Park. A new group log was created and this combining of groups is only done when we are in the yellow phase. There is room at Henry Park and sufficient staff present to separate into three groups if necessary. The children were playing outside and had a variety of activities prepared for them in addition to the classrooms that have materials that they can use. Today they made sidewalk chalk and went on a walk to Malloy Park. Melissa and I reviewed staff and child files and everything was in order and on site.
