General Comments

On the day of my visit the program was functioning very well. One group was on its way outside for group games and then free time in the playground. The other group had stations set up; blocks, animals, drawing, board games and magnetic connectables. The atmosphere was calm and pleasant and having extra staff and an on-site Administrator means that everything gets easily with a good flow.

The staff information, postings and materials were reviewed and everything was correct.
