General Comments
<p>On the day of my visit the Operator was getting ready to take back to school pictures. I reviewed the administrative files and had a nice chat with the operator.</p> <p>There was documentation on the wall and a schedule of the summer activities. It was a busy summer for the children. Activities included water play, painting rocks, tie-dye t-shirts, obstacle course, messy play and many more activities.</p> <p>The children enjoyed snack and were getting ready to head to the park to play at the water park before the temperature got too hot.</p>
