Comments: Deficiency is now compliant			

General Comments
Visit to the facility for the follow-up inspection. Ratio was respected during the visit.
Operators first aid was completed. Window on the playhouse was fixed.

General Comments

Operator began planning and documenting along with posting children's documentation.

Observations:

Children were in the kitchen playing with play doh and poly pockets.

The facility now meets requirements under the Act and regulations. The license will be recommended for another year.
