General Comments

-Visit to the learning center for an unexpected monitoring inspection
 -Ratio was respected during the visit
 -Each child has an easily accessible space for personal belongings, which is labelled with the name of the child and used only for the intended child.
 -Individual space is provided for diapers, creams and wipes for each child who is not toilet trained. The changing table is equipped with a safety strap and a non-absorbent layer. Changing area is separated from the food preparation and is located one meter or less from a sink. Children are always supervised during diaper changing.
 -Centre has the proper number of functioning and available toilets and sinks, one potty chair or training seat is provided, and a steps or platforms are provided to allow children to reach regular sized toilets or sinks.
 -An inclusive environment is provided for all children
 -Children's guidance is done in a respectful and positive way
 -Posted in a visible and prominent place in the facility are the following documents: The licence, inspection report, orders for compliance, daily routine, evacuation procedures, name of administrator, name and telephone number of QA Monitor and inspector Life threatening allergies and a notice to inform parents of the existence of a communicable disease.

Observations: When arriving at the center the children were all sitting at the table and waiting for their lunch. They shared with me that have made a potion so they can blow bubbles outside this afternoon. Kids ate their lunch, they chatted about Easter and their favorite music.
