General Comments

- Visit to the center for an unexpected monitoring inspection
- Ratio was respected during the visit
- Daily routine into the center includes; Outdoor play time at least once every 4 hour blocks time when the weather is permitting. Meal and snacks are served at the recognized hours and a daily rest period that meets the children's needs
- Discussion with the operator about the connection with the application of the curriculum framework and the act. The inspection checklist was handed out and strategies were discussed on how to apply them within the center. A follow-up inspection will be done to evaluate with each educator if all the items of the regulation are being applied into their classroom.
- Outdoor play area has at least 10% shade and is maintained safe and free of hazard
- Outdoor play area consists of more than one surface to permit different types of play
- Outdoor material is varied and in sufficient quantity for all children present.

Observations: When arriving at the center children were having a quiet time some were sleeping will others were watching a show. They are planning to have a party this afternoon, they have sprinklers set up in the yard and treats.
