General Comments

Visit to home based ELC in order to complete renewal inspection. Ratio was respected at time of visit. Observations: The infant present was in free play at the table. Operator engaged the child in play by asking open-ended questions. Lunch was served (Chicken nuggets and French fries). The infant had a nap following lunch and washroom routine. There we no preschool nor school aged children present during visit.

Facility meets requirements under the Act and regulations; license will be recommended.
