Order for Compliance	Regulation	Date to be corrected	Date corrected
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Jul 29, 2026	Jul 29, 2026
Comments: Deficiency is now compliant			

General Comments -Morning visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -The operator as has a valid first aid certificate -Medications are locked in the washroom and inaccessible to children -No children are in need to use medication for anaphylactic shock (EPIPEN) -During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way -Snacks and lunch are provided by the operator, parents have a three-day notice when changes are being made to the menu. -Allergy information on any child is posted in the food preparation area -Drinking water is provided throughout the day -Outdoor material is varied and in sufficient quantity for all children present, and consists of more than one surface to permit different types of play -A workout trampoline was accessible to children for children in the outside space, it was put away during the visit. Observations: When arriving at the center the operator was working on a baking sale to support a family that just lost everything to a fire, the children were going through the toys to find material to give to the children. Operator got lunch ready while the children were coloring.
