General Comments
<p>Visit to the facility to complete annual inspection. Ratio was respected at time of the visit. Discussion with operator regarding plans for materiel in outdoor play area for the upcoming winter season. Operator is responsible to ensure that there is a variety of material accessible year-round in the outdoor play area.</p> <p>Observations: Preschool child was into free play when I arrived. Later, school-aged children arrived by bus. They stored their belongings in the storage space and joined the group. Some school-aged children completed their homework while others played. The children then went outside. Various types of documentation are present in the room that display the children's interests and what they are learning.</p> <p>Facility meets requirements under the Act and regulations, licence will be recommended.</p>
