General Comments

Licensing Staff arrived to introduce the new Quality Assurance Monitor and perform a Monitoring Inspection. Upon arrival the children were engaged in free play. Some children were making bracelets with looms, while others were seen playing in the gym. Shortly after, the children all gathered in the main room to prepare for their field trip. Water bottles were filled, the children grabbed their hats and bins of sunscreen were loaded on the buses. A headcount was observed as the children left the facility.

Licensing Staff joined the Older Group on their outing to Nashwaaksis Middle School to play Capture the Flag. Sunscreen was applied as soon as the children got off the bus. The group then gathered in the middle field where the Operator went over the rules and boundaries of Capture the Flag, before splitting them into teams. The Operator and Educators were also split into groups and engaged in the game with the children. After the first game, everyone took a water break and had a chance to sit down before starting the second round. An Educator mentioned they have conversations with the children before the outings to remind them of the boundaries and rules, to ensure everyone stays safe and has fun. All children appeared familiar with the expectations and the game ran smoothly.

The group played one quick game of tag before a final headcount was complete and the children boarded the bus back to the facility.

Attendance records were filled out, and fire drills were up to date and posted on the parent board.
