General Comments On the day of my visit there were 3 Infants and eight preschool age children in attendance. The infants were having some free play in their room while the preschool aged children were in the outdoor play space. The children were doing a wide range of activities outside. A couple were having their snack, some were playing on the slide while another group were putting balls through tubes to see which one was faster. The educators were responsive to the children's needs such as helping put hats back on making sure they had their water bottles. original signed by Troy Williams August 03, 2021 Signature of Early Learning and Childcare Licensing Staff Date original signed by Janice Chaput August 03, 2021
