<p>General Comments</p> <p>Renewal application performed.</p> <p>*Covid Recovery Phase Guidelines are being followed. Clear rules posted at the door regarding entrance requirements. Parents have signed the Appendix E regarding their responsibility to screen their children in the AM. Staff are also document and track temperatures mid day on children and staff. Cleaning schedules for Covid are also being completed and a daily log is kept for each self contained group. However I could not locate the household member list in the child files for contact tracing purposes. Please request this information from parents and place in the child file.</p> <p>*I recommend night light s in rooms so staff can easily move about during nap time.</p> <p>*Non reportable Incident logs are being tracked, but not always signed off by the parent so they are made aware on the day of. I discussed the requirement with the Administrator. Please ensure a daily log is maintained, showing child's complete name, date, time a few details of the incident - what happened and what action was</p>
