General Comments

The hammocks outside were removed.
There is now a schedule for outdoor time, so infants are not mixed.
The toddler room has a new table, and they are now sleeping in their own room.
New toys and materials were added. All rooms now have materials of all required categories. The bins in the infant room were replaced with smaller ones. Everything is labelled and there are many opportunities for literacy.
Staff were observed outside and engaged with the children.
When taking water bottles outside, ensure they are in view of the children so they can access their water when they feel the need to do so.
A reminder to keep up with the lawn mowing.
