**General Comments**

On the day of my visit the afterschool program was engaged in Nature Week with themed nature activities. Today the children collected items for a scrapbook that they would be making at the end of the week. They went on a field trip yesterday to Hyla Park which seemed very enjoyable for everyone. The weeks for the summer are all themed activities and are planned in advance. Staff should have a lot of activities of varying complexity to keep this ages group engaged and entertained.
