General Comments
<p>On the day of my visit the program was functioning very well. Shannon has a very active program and the children enjoy themselves immensely, the only afterschool child is Shannon's daughter who arrives later in the day.</p> <p>I was screened upon entry to the program and the centre is following all cleaning and Covid procedures except Shannon is not wearing a mask. She has discussed this with the parents and she will get written confirmation from the parents that they are aware that she is not going to wear a mask.</p>
