Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (a) an administrator and educators must hold a valid first aid certificate and a valid cardiopulmonary resuscitation certificate;	11(a)	Jun 22, 2022	
Comments: The Operator's First Aid and Cardiopulmonary Resuscitation Certification expired on June 9th 2022, however; she has registered to re-certify this training while she is closed for her summer vacation.			

<p>General Comments</p> <p>Licensing staff arrived at the licensed facility to conduct the license renewal inspection on June 22, 2022.</p> <p>The children were just finishing up their snack when licensing staff began her observations. The children washed up from snack and engaged in a painting activity. The operator provided the children with a variety of paint colours, paper, paint brushes and was heard asking the children open-ended questions about their creations. After the children cleaned up from their painting activity, they independently put their outdoor clothing on and went outdoors for some free play activities.</p> <p>The outdoor play environment is a lovely natural space for the children to play and explore.</p> <p>The Operator positively encouraged a child to be kind and respectful towards their friend, during the license renewal visit, before asking the child if they needed to have some time away to self regulate.</p> <p>Licensing staff and the operator discussed how to positively guide children when exhibiting challenging behaviours and discussed the differences between "time away" and "time out."</p> <p>The operator's First Aid and Cardiopulmonary Resuscitation Certification expired on June 9th, 2022 and the operator has already registered to take the re-certification while closed for vacation.</p>
