General Comments

The children were about to start a Halloween craft when I arrived. Before the craft the operator read the story " 5 Little Pumpkins"
After the Halloween craft was completed, the children got ready for outdoor playtime where they played at the mud kitchen, on the slide and drove the little tykes' cars on the driveway.
The facility is clean and there are a variety of age-appropriate materials for the children to learn and explore with.
The operator is engaged and responsive to the children's needs. Positive child guidance was observed.
Please remember to complete the monthly fire drills and first aid inspection checks.
