General Comments
<p>Children were finishing up with circle time and getting ready for snack when I arrived. After snack the children prepared for outdoor play time. During outdoor play time the children participated in a variety of activities from playing in the mud kitchen, digging in the sandbox, walking on the balance beam to playing on the slide structure and hanging out in the wooden house.</p> <p>The indoor environment is clean and bright. There are a variety of materials for the children to learn and explore with.</p> <p>Educators were engaged with the children and attentive to their needs.</p> <p>Staff and children files were reviewed. All contained the required documents.</p> <p>Please update the parent board with my correct phone number 506-259-4172.</p>
