<p>General Comments</p> <p>The outdoor play space had materials spread out for children to access.</p> <p>There were small and large shovels available in different areas of the outdoor play space. Buckets, cookie sheets, and muffin tins were also purposefully set out.</p> <p>The wooden boat had large buoys and a fishing net for imaginative play. The shed had numerous balls and other large loose parts. The director is ensuring to shovel in front of the shed door so educators can use these materials. On warmer days, chalk is available to the children. Sleds are stored indoors but are brought out to use on the small hill.</p> <p>The director shared an idea for the summer so books can be stored outdoors under the pergola.</p>
