General Comments Licensing staff arrived in the morning, and the group went to Tuesday Chapel for Bible stories and songs. This program is part time and finishes at 12 noon and does not operate during PD Days, snow days etc., so they can share their room with the afterschool program. The room is bright and welcoming with a large table set up for art, cozy corner, reading corner and a water table filled with bubbles iridescent rocks and small tin containers for pouring. They have a large variety of materials available to them. Their play area is still being repaired, and they use the Henry Park play area and the gated play area when it is available as well. The afterschool program arrives at 3pm and they are all students of Fredericton Chistian Academy with a half day on Fridays. Their main room is divided for the older and younger groups and there is a comfortable section with a large couch, tables, chairs and games etc. The older group has extra materials in the office as they like more complicated and difficult crafts like woven friendship bracelets, art projects, and card and board games. The attendances, parent board, first aid kits, incident reports were all checked and complete. The monthly outdoor checks, Fire drills, staff files and 15 child files were also verified and found to be complete and up to date. I recommend this license for renewal.
