Comments: Children did not wash their hands when they came in from outside play or before snack.			

General Comments
<p>Monitoring Inspection on PD Day. Children engaged in play both indoors and outdoors. Educators planned snow painting for the children this afternoon. The after school room is set up with a variety of materials in each interest centre.</p> <p>How can you add documentation to the after school program? Adding art projects and photos of the children will spark interests and allow the children to revisit what they have done.</p>
