Order for Compliance	Regulation	Date to be corrected	Date corrected
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	Feb 10, 2023	Feb 15, 2023
Comments: The Administrator is using a notebook to document observations and plan for future activities based on emerging interests. Deficiency is now compliant.			

General Comments
Children are divided into two groups after snack. One group went sledding outside while the other participated in the indoor activities planned for today. Observed the children playing in the gym, then several chose to participate in a game. The daily schedule indicates that after 45 minutes the groups will switch, so that all children have the opportunity for outdoor time. This was observed by the QA Monitor during the inspection.
