General Comments
<p>Monitoring visit performed. Please post the phase 2 path to green new screening questionnaire as this is the current one.</p> <p>The operator just has her own children today. She is on a summer schedule so she has 2 other children enrolled but they are not here today.</p> <p>She just returned from an appointment so I was happy I did not miss visiting this service.</p> <p>I reviewed administrative records and staff information during my visit. Please update your parent board info that has faded from the sun. TY</p>
