Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (b) educators must have successfully completed the Introduction to Early Childhood Education course or hold an Early Childhood Education Certificate.	11(b)	Dec 30, 2022	
Comments: One educator who does not have an ECE was not registered for the Introduction to ECE course. Educators who do not have their ECE must be registered upon hiring. During the inspection, The administrator copied the Inspector on an email to the Department to register the staff member. Educator must complete the course and receive their certificate. Operator will send a copy to the Inspector upon completion.			
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	May 20, 2022	
Comments: Protective surfacing was compacted underneath the climbing dome (which requires protective surfacing in accordance with the manufacturers instructions). There are several other play structures in this area, the Inspector asked that the administrator review the manuals to ensure that adequate protective surfacing is maintained.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	May 16, 2022	
Comments: Bug spray and sunscreen were found underneath a classroom sink which was locked with a child safety lock. All toxic products must be under lock and key.			

<p>General Comments</p> <p>During the time of the inspection, it was not possible to see the results of the criminal record / vulnerable sector check for one staff. A holepuncher hole was put through it. Administrator will provide Inspector with a copy of this employees criminal record / vulnerable sector check in order to see its results.</p>
