General Comments
<p>Licensing staff arrived at the licensed facility to conduct the license renewal inspection.</p> <p>On the day of the inspection, it was raining very hard, and children did not have an opportunity play outside. The educators organized a game of "Fishes and Whales" to help the children expel some pent-up energy. After a very active game of "Fishes and Whales" the children played a game of "Graveyard."</p> <p>It was Patrick's Day, and the children and educators were wearing the colour green and some children were doing St. Patty's Day crafts.</p> <p>The educators were heard positively guiding the children and were interacting with the children at their level throughout the inspection.</p> <p>The indoor play environment consisted of distinct play centres that the educators are required to set up and then take apart at the end of the day.</p> <p>Licensing staff recommends the facility for renewal.</p>
