<p><b>General Comments</b></p> <p>Licensing arrived at the facility around 2:40 pm to conduct a monitoring visit. The children had arrived and were playing outside on then grassy area beside the church. Some of the children had taken a table outside for colouring and the rest of the children were throwing a ball and colouring with chalk on the paved portion of the area.</p> <p>After playing outside for around an hour everyone came inside, washed their hands. The program was set up in the gym with a reading corner with lots of books. A table and chair with a good variety of board games, bean bag chairs and some puzzles, an arts and crafts area with lots of materials for drawing, glueing, and beads and other craft materials and a lego and blocks section with lots of small parts to build and connect.</p> <p>The parent board contained all the necessary postings, the staff files were up to date and the attendance was verified. The gym was bright and clean and the children and educator had a good rapport. Everyone was respectful and the educator was genuinely interested in the children's conversation and ideas.</p>
